(<p>Even though I don't have extra accommodations I find that the extra help helps me to relax and focus on the questions. I find that I'm not as worried about the test because I know that I have more than enough to finish the quiz and review my work.</p>	34.51%	1
*	<p>I find it less helpful that I do not have to make separate arrangements to get my accommodations met because the test is built to address extra help. This saves me a lot of extra help and coordination with A67.</p>	0.00%	0
